

## Vehicle diagnostic report

Shop Name: Russell Emptage  
Address: 92230  
Telephone:  
Email :  
Fax:

License #: bv64 zsu  
Make: VW  
Model:  
Year: 2015  
VIN: WV2ZZZ7HZFH034407  
Mileage: 115790 (km)  
Vehicle Software Version: V28.20  
Diagnostic Application Version: V3.08.004  
Test Time: 2017-09-21 09:28:20  
Tester: russell emptage  
Diagnostic path: Health Report

### Diagnostic Result

| Fault                          |  | ( 5 )                |
|--------------------------------|--|----------------------|
| 09 Electronic Ctrl Electronics | ( 3 )  | Abnormal             |
|                                | 03224 Play protection active                             |                      |
|                                | 00532 Supply voltage                                     | Lower Limit Exceeded |
|                                | 00446 Function limitation due to insufficient voltage    | Lower Limit Exceeded |
| 10 Parking Assist System 2     | ( 2 )  | Abnormal             |
|                                | U101100 Supply voltage - Voltage too low                 | passive/abiogenesis  |
|                                | U140000 Function restriction-due to insufficient voltage | passive/abiogenesis  |
| 56 Radio                       | ( 1 )  | Abnormal             |
|                                | 00446 Function limitation due to insufficient voltage    | Lower Limit Exceeded |
| 61 Battery Control             | ( 1 )  | Abnormal             |
|                                | 02256 Static current                                     | Upper Limit Exceeded |
| 77 Telephone                   | ( 1 )  | Abnormal             |
|                                | U140000 Function restriction-due to insufficient voltage | passive/abiogenesis  |
| Normal                         |  | ( 9 )                |
| 01 Engine Electronics          |  | Normal               |
| 03 Brake Electronics           |  | Normal               |
| 04 Steering Position           |  | Normal               |
| 08 AC/Heating Electronics      |  | Normal               |

|                       |        |
|-----------------------|--------|
| 15 Airbags            | Normal |
| 17 Instrument Cluster | Normal |
| 18 Aux Heating        | Normal |
| 19 Gateway Data Bus   | Normal |
| 25 Immobilizer        | Normal |
